July 13, 2011

Dear FAIM 2011 Participants:

I would like to express my sincere thanks to all the participants and session chairs of FAIM2011. We had more than 130 participants, and the whole program including around 110 paper presentations has been completed successfully. I hope you had a great time participating FAIM2011 and a wonderful trip in Taiwan. For your memory, the photos have been uploaded. You are now free to download all the photos and the powerpoint slices of our keynote speakers there.
